The Hate Disease

Dr. Calhoun and his pet tormal Murgatroyd work for the Interstellar Medical Service making routine public health inspections on far-flung colonial planets. When they reach Tallien Three they are greeted with a rocket attack by the Paras, a mutated form of human rapidly replacing the "normals". The normals think it's a pandemic of demonic possession but Calhoun has his doubts. If he can keep from turning into a Para, or being assassinated by them he just might figure this thing out.

The Hate Disease was first published in the August 1963 edition of Analog Science Fact and Fiction magazine. (Summary by Gregg Margarite)
